

Some Transitional Words and Phrases:

None of these

All the facts point to

Most important

In this instance

Since

Without sacrificing

Information

In return

But what about

It avoids

You might argue

To prove this

If you stress

Occasionally

Let's suppose

Important as the question

might be

Notice that

As you remember

Often these

Aside fom

It is widely used

To be Practical

They provide in these ways

This quality

As we have been insisting

Fortunately

As a rule

You'll quickly see

Perhaps

Periodically

Providing

Sections of

Indifferent to

It has become obvious

Let us look at

Apparently

It is apparent

You probably know that

Temporarily

To escape this dilemma

Interestingly enough

Now let's consider

Like most

The following

The principle origin of

Honestly

Sincerely

More importantly

In retrospect

Anyone who

After

Merely

Indeed

Later

Literally speaking

Figuratively speaking

This way

Let's review

To put in perspective

Traditionally speaking

So

And

Yet

Nor

Or

For

But

Nevertheless

Therefore

However

Neither

Whether

Although

Either

Furthermore

Above all

Matter of fact

Many of these

For example

For instance

First

Second

Next

Finally

Specifically

Generally

Especially

Moreover

How

Even

The practicality of without hesitation

It is a belief that

So while

In contrast

Thus that is

Namely

Besides

In addition

Also

Similarly

Too

Subsequently

Still

On the other hand

When

By this point

As can be

Such an approach

Consequently

Conversely

Accordingly

On the contrary

After all

Whatever

In the last analysis

First of all

Another school of thought

Experts & laymen alike

Most often

Note that

Generally speaking

Focusing on

In differentiating

From a more clinical perspective

Under what circumstance

Such people

In as much as

Consider

For example

In the paragraph above

In compilation

By the last account

This seems the most

Traditionally speaking

In hindsight

Above all

You may recall

It should be obvious

Literally speaking

Figuratively speaking

To put into perspective

Traditional thinking

undoubtedly
